Dear Prospective Client:

Thank you for choosing us as your provider... we look forward to serving you!

Before arriving for your imaging appointment, pre-appointment instructions must be followed in order to ensure accurate imaging and interpretation. Please review the enclosed paperwork at least two (2) days prior to your appointment, paying particular attention to the Pre-Appointment Instruction Sheet. It is very important that you adhere to these instructions as closely as possible, as non-compliance can result in the need to re-schedule your appointment.

Important Note: Please advise us if you have had any surgery or breast biopsy performed in the last eight (8) weeks in areas of the body to be imaged, as this can impact the scheduling of your appointment.

Here is an overview of the enclosed documents:

- Pre-Appointment Instruction Sheet - please read and adhere to each instruction
- Health History Form(s) - please complete these forms in advance and hand-carry them to your appointment
- Consent Form and Disclosure Statement - please sign these forms in advance and hand-carry them to your appointment
- Referral Form – unless you are self-referred, please provide the name, address, and phone number of the health care provider you want your reports sent

We ask that clients pay at the time of service. We accept cash, checks, Visa, Discover, and MasterCard. (Please advise us if you require our four (4) month payment plan.)

Some clients receive insurance reimbursement. Please see the Insurance Coverage page to see if your insurance will reimburse you.

For additional information, please visit www.thermogramcenter.com, or call 303-664-1139 or 866-492-2174.
